2019 KAKADU BIRD WEEK

The date for Kakadu Bird Week has been set for 2019 and the full program is coming soon.

PAGE 2 >

VAL OF CUI GUNBALANYA LADIES GET CREATIVE

The 2019 Mahbilil Festival has once again shone a light on the amazing culture and creativity of Kakadu and West Arnhem communities.

IBRANT FEST

The festival held 3 events this year, as well as running alongside the Kurrung Sports Carnival.

"The crowd got right into the festive spirit and made the day a huge success.."

Friday night saw the launch of a new mural on the old Bakery building collaboration with in Marrawuddi Gallery.

Visiting artist Ellie Hannon worked with Bininj artists Graham Rostron, Abel

Jabiru Area School performing at the 2019 Mahbilil Festival.

Naborlhborlh, Ray Mudjandi, Ayesha Alderson, Nonica Hardy and others to create a massive painting on 2 walls.

The process took 2 weeks of constant work and resulted in a vibrant mix of contemporary and traditional styles.

This continues on from the mural painted for Mahbilil 2018 at the pool.

Mahbilil is branching out

from the standard festival model and bringing some well-needed colour and life to some tired buildings in an effort to renew the Jabiru streetscape.

Watch this space for further developments in future years. main festival The day

brought music, arts. bushfoods, workshops and performance together in a celebration of Kakadu culture.

The park looked incredible with the sculptural creations of artist Techy Masero who continues to add more creatures to the collection each year.

The Djurrubu Rangers served up bushfoods all afternoon from the gungarre ground ovens and also from the coals, including crocodile, buffalo, barra and of course the Mahbilil signature dish magpie goose.

The ladies in Gunbalanya have been extremely busy producing handmade items for their first order. PAGE 4 >

Road Safety NT visits Maningrida youth to spread life-saving messages. PAGE 2 >

VITAL ROAD SAFETY MESSAGING

Road Safety NT attended one of West Arnhem Regional Council's Youth, Sport and Recreation in monthly Teacher vs Young People Basketball events in Maningrida on Tuesday, August 20.

Caleb from Road Safety NT (*pictured below*) opened up the event with a conversation with Maningrida young people around road safety and taught them 4 very important actions – click, clack front & back.

Caleb taught everyone the hand signals of reaching for your seatbelt, clicking it in and then pointing front and back as a fun way to encourage the kids to remember to put on their seat belt when they get in the car and to check front and back.

The games started rolling and the young people had lots of support from, not only teachers, but other community members joining in to play including the Road Safety mob.

The MVPs of the night got to take home a Road Safety back pack with a football inside and a water bottle.

NEW MACHINERY SET FOR GUNBALANYA

West Arnhem Regional Council (WARC) was fortunate to receive a Special Purpose Grant from the Department of Housing and Community Development to purchase a new tilt tray truck (*pictured below*) for the Gunbalanya community.

The new machinery features a 9 metre tray, container locks, a 20 tonne winch and the ability to shift up to 12 tonnes of equipment in a single load.

While replacing the crane truck which had been out of service for more than a year, the tilt tray truck also brings great benefits to core service delivery in the community.

This includes significant savings in mobilisation costs during project work, while improving efficient and effective day-to-day core service delivery.

It will also greatly assist with carrying out disaster mitigation strategies including community clean ups.

The grant for the Hino Tilt Tray was a total of \$100,000 and Council contributed the remaining amount.

WARC wishes to thank the Department of Housing and Community Development for the support.

The West Arnhem Wire | 17 August - 13 September 2019

The West Arnhem Wire acknowledges the traditional owners of country and their continuing connection to land, waters and community. We pay our respects to them and their cultures, and to elders, past, present and future.

The Wire is the only regular source of news and information in the Kakadu and West Arnhem Land region. More than 700 copies are distributed fortnightly to Jabiru, Warruwi, Minjilang, Maningrida and Gunbalanya.

Our electronic edition goes out to more than 500 individual email addresses across West Arnhem Land and the Top End.

The Wire accepts advertising from businesses and government organisations. Placement of ads is subject to editorial and Council policy.

Our competitive rates start from as little as \$65 (including GST). Call 08 8979 9465 today or email wire@westarnhem.nt.gov.au to discuss how we can help you spread your messages around West Arnhem Land.

2019 KAKADU BIRD WEEK

Kakadu is a bird lover's paradise – home to more than a third of Australia's bird species.

Join traditional owners, Parks Australia, scientists, local experts and BirdLife Australia to celebrate the Top End's diverse birdlife during Kakadu Bird Week from 28 September to 5 October 2019.

Enjoy free birdwatching activities, learn from leading researchers and traditional owners, and experience wetlands cruises, Aboriginal bird experiences and more.

The full program for Bird Week 2019 is coming soon. Sign up to the mailing list below to be the first to hear about this year's events.

For more information, visit https:// parksaustralia.gov.au/kakadu/do/ events/birdweek/

Councillors and staff of West Arnhem Regional Council wish Chief Executive Officer (CEO) Brian Hylands all the best with his future endeavours following his resignation as CEO at the Ordinary Council Meeting on Wednesday, September 11.

Mr Hylands took on the role as CEO in 2012 and over the last seven years has worked alongside WARC Elected Members to lead the Council into a strong and viable position, while strongly advocating for the people of the West Arnhem region. He has worked alongside former Mayors Lothar Siebert, James Marrawal and present Mayor Matthew Ryan.

While maintaining strong governance and leadership with Elected Members and West Arnhem's Local Authorities, he has been instrumental in the significant advancements of the delivery of core, commercial and community services within the Jabiru, Gunbalanya, Maningrida, Warruwi and Minjilang communities.

WARC Mayor Matthew Ryan said he is

West Arnhem Regional Council Mayor Matthew Ryan pictured with Chief Éxecutive Officer Brian Hylands.

proud of the achievements of the Council over the last seven years, with all of these largely owing to Mr Hylands' leadership and dedication to the organisation.

"I want to thank Brian for his tireless work in bringing the opportunities and the achievements which have been accomplished within our communities

LIVE & WORK

over the years," Mayor Ryan said.

"Every day, he has stood alongside us Councillors to address the hard issues, fight for positive progress and advocate for our people. We are a stronger Council because of the dedication of our CEO, and we are grateful for all of the work he has done. We wish Brian and his family all of the best in the future."

Mr Hylands wished to thank the Council and staff and the people of West Arnhem for their continued passion and commitment to the West Arnhem region.

"The opportunity to serve the people of West Arnhem is something which I will always cherish and be thankful for," he said.

"I firmly believe the Council will continue to strengthen and strive forward to bring a very bright future for the West Arnhem region, and I thank the Elected Members and all WARC staff for all the work they do."

At the meeting, the Council passed a resolution to accept Mr Hylands' formal resignation.

BIRU LAKE SIG

West Arnhem Regional Council (WARC) wishes to advise Jabiru residents and visitors there will be some activity around the Lake by WARC employees over the next week.

Swimming and fishing in the lake has been prohibited for some time because of bacteria and crocodile risks.

Recent testing of the water has confirmed that these risks remain present.

Following advice from the NT Environmental Health Department, the existing signage at the Lake is being swapped out for new signs to remain in line with Australian Standards.

Please observe these signs, avoid contact with the lake

 NO SWIMMING NO FISHING

NO FISHING
 DO NOT ENTER THE WATER
 DO NOT EAT ANIMALS OR PLANTS
 FOUND IN THE LAKE

The new signage to appear at the Lake.

and enjoy its views from a distance.

Upcoming Remediation Assessments Throughout Town

Over the next few months you will notice contractors around town. They are here to carry out remediation assessments on all infrastructure in Jabiru.

These assessments are required to inform the planning works for the future of Jabiru.

All residents and businesses will be notified in due course. If you have any questions or want to find out more, please visit the Jabiru Kabolkmakmen office at Shop 3 Town Plaza or call 08 8979 3203.

We appreciate your support and patience whilst these assessments are taking place.

Marinella Faggion, Project Manager, Jabiru Kabolkmakmen.

MANINGRIDA ENJOYS FILM EVENING UNDER THE STARS

The Maningrida community were treated to a lovely evening under the stars during the recent visit from the NT Travelling Film Festival.

Maningrida were treated to an exciting visit from the NT Travelling Film Festival recently which saw around 150 community members come together for the night.

To celebrate the occasion, the Maningrida kids spent time creating tea candles in jars prior to their visit, and also decorated some banners to welcome Maningrida and the Maningrida films, which were tied up on the fence.

Six young people in the community also spoke on the night to welcome the community and introduce the event, which included three Maningrida films being screened in front of the great audience.

Babbarra Women's Centre's film Jarracharra was played and this was about their exhibition in France as well as one which was about the winds that travel across this land to indicate it's dry season and time to move across this country.

Another film shown involved the 2018 Maningrida College graduates on their schooling journey and the dedication and hard work it took them to graduate year 12. And, finally one featured Maningrida's young people explaining why they love Maningrida which was certainly a hit to watch.

Short films from all over the NT were also shown throughout the evening.

Northern Territory Travelling Film Festival showcases the outstanding short film, television and video productions from the NT, capturing the stories, culture and landscape of our iconic region and the people that call it home.

It is always a popular event when they visit West Arnhem communities.

GUNBALANYA LADIES SHOW CREATIVE FLAIR

The ladies in Gunbalanya have been extremely busy these past few weeks hand-making shoulder bags and zip bags for their first order, as part of a project supported by Dreamtime Solutions.

The order has been completed with an incredible 40 bags in total - well done ladies.

Toddler quilts, skirts, candles and soaps are also being produced with the soaps benefiting the community to help with skin conditions.

The garden is also thriving and produce from it is being used to cook up in lunches. Keep up the great work everyone.

MAHBILIL MAGIC SWEEPS OVER JABIRU

<< From Front page

The weaving workshops, courtesy of Kakadu Tourism, attracted big crowds all afternoon and the traditional Bininj Kunwok language stall educated the crowds. The Magpie Goose cooking competition attracted 12 entries of impressive quality and was judged by Member for Arnhem Selena Uibo and TV Presenter Allan Clarke.

First prize was taken out by visiting cook Julie Fearnley and People's Choice by long-time entrant Jackie Christopherson.

The stage program saw a beautiful mix of local and interstate musical acts including The Jabirumours, Ripple Effect, Shellie Morris, Phoebe Jacobs, Minjilang Konnection, Shane Howard Trio and of course local legends – Black Rock Band! MC Shaun Choolburra had everyone in stitches with his banter and story telling.

One of the highlights this year was the Jabiru Area School (JAS) dance performance.

Mahbilil and JAS have been working on this project each year for many years and this year Corrugated Youth Arts developed the work with the students. Performance mentors Jinu Mathew and Amy Simpson brought the best out in the students and the show was incredible.

The crowd was estimated at around 2500 over the day, from Jabiru locals to West Arnhem communities to Darwin visitors and international tourists, the crowd got right into the festive spirit and made the day a huge success.

Sunday night saw a new event for the Mahbilil weekend – an outdoor movie screening of 'Bran Nue Dae' at the Croc Event Lawns which was a fun and chilled way to round out the events.

The event is produced bv Gundjeihmi Aboriginal Corporation on behalf of the community. Many thanks to the funding partners KWAST, ERA, NT Government (through the Community Benefit Fund), WARC, Kakadu National Park and Veolia. It is also supported by Jabiru Foodland, Mercure Crocodile Hotel, Kakadu Lodge, Kakadu Tourism, Djurrubu Rangers, Marrawuddi Gallery, Jabiru Area School.

See you at Mahbilil 2020!

The Black Rock Band were featured in the music line up and certainly didn't disappoint the crowd at the 2019 Mahbilil Festival.

West Arnhem Regional Council (WARC) Mayor Matthew Ryan chatting with festival-goers at the WARC stall.

The traditional dancers Gunborrk at the Mahbilil Festival wowed the huge crowd which was estimated to be around 2500 people throughout the day.

Jabiru Area School, supported by Corrugated Youth Arts and performance mentors Jinu Mathew and Amy Simpson, put on a magical show at Mahbilil.

SIAM WEED DETECTED IN NORTHERN TERRITORY

Native to the Americas, Siam weed has become a major land management issue across tropical areas of Asia and Africa. In 1994 it was detected in the Tully area of Far North Queensland and until recently was confined to that region.

An incursion of Siam weed has recently been detected on two properties in the greater Darwin region.

Siam weed has high nitrate levels and in some countries has led to cattle deaths and abortions when stock have been accidently fed contaminated fodder. Its rapid rate of growth means that it has the potential to outcompete crops, pastures and native vegetation. In addition to this, Siam weed may cause skin complaints and asthma in allergy prone people.

These potential environmental, economic and health impacts, when combined with the costs associated with its control mean that it is considered one of the world's worst weeds.

The Weed Management Branch has notified the National

No.

Siam weed has recently been detected in the Northern Territory.

Biosecurity Management Consultative Committee of this most recent incursion of Siam weed. We are working closely with the landholders and other government departments to contain and control the current known infestation and conducting surveys to determine how far it may have spread.

As with any weed management, the early reporting of a suspected Siam weed infestation is essential to successful control and eradication efforts. Siam weed can look similar to other weed species but there are a few outstanding features that help in identification.

The pungent smelling leaves of this scrambling climber are soft, green, hairy and roughly triangular in shape.

They also have a very distinctive three-vein 'pitchfork' pattern running the length of each leaf. Pale pink-mauve tubular flowers are held in clusters at the end of the branches. The flowers can appear white if seen from a distance but will usually turn darker lilac when mature.

Siam weed flowering is triggered in mid-year by shorter day lengths and they produce enormous numbers of seeds within 8-10 weeks after flowering. Each seed has a tuft of white or brown hairs that act as a little parachute, allowing it to be easily transported by wind or water.

Preventing weed spread through biosecurity measures is as important to Siam weed management as early detection. The hairs on the seed help it attach to vehicles, clothing, footwear and animal fur. It is very important that travel through known areas of infestation is controlled and that vehicles, machinery and any personal gear used in an infested area be cleaned thoroughly before leaving an infected area.

Let's work together to stop the spread of Siam weed. If you have seen Siam weed, or think you may have it on your property please contact the Weed Management Branch on (08) 89 99 45 67 or at weedinfo@ nt.gov.au.

NT YOUNG ACHIEVER AWARDS OPEN

Nominations for the Northern Territory Young Achiever Awards are now open and the search has begun for incredible young people under 29 from across the Territory.

Everybody knows an inspiring young individual;

• Who we all wonder where they find the time to help others

• Who is paving the way for our future through innovative thinking

• Who is a leader and role model for their peers We need to give thanks, and now you can by nominating them into one of these categories;

• Charles Darwin University Innovation Award

• Colemans Contracting & Earthmoving Agriculture Award

 ConocoPhillips Environment Award • Genesee & Wyoming Australia Indigenous Achievement Award

 Glencore McArthur River Mining Regional and Rural Initiative Award

McDonalds NT Career
 Achievement Award

• NT Government Excellence in Youth Leadership Award

• NT Government Small

Business Achievement Award

• NT Government Young Aboriginal Educator Award

• NT Government Young Carers Award

Somerville Community
Service Award

• Zip Print Sport Award One of the twelve category winners will be named the 2020 Northern Territory Young Achiever of the Year.

To assist the category winners in achieving their goals, they will receive \$2,000 and a trophy, courtesy of founding partner TIO.

The 2020 Northern Territory Young Achiever of the Year will receive an additional \$2,000 and a Territory trophy.

To submit a nomination, simply go online to www. youngachieverawards.com select NT and then select 'Nominate Now'.

Alternatively, make the process that much easier by calling us on 1300 148 228 and passing on their details and we will take it from there. Nominations close Tuesday 3rd December 2019.

For assistance please feel free to call the Awards Office or email ntyaa@awardsaustralia.com

RANGER EXCHANGER

It's been a great dry season and even better to see people around town, both local and visitors participating in all the great local activities on offer.

It's been a busy dry season for both the town of Jabiru and out at Ranger.

We've supported a number of dry season events through our community partnerships fund such as the Kakadu Triathlon, ERA Golf Day and Sounds of the Dry.

We'd like to thank the volunteers within the community who contributed to the success of these.

We've successfully held a number of free mine tours over the dry to help people see behind the

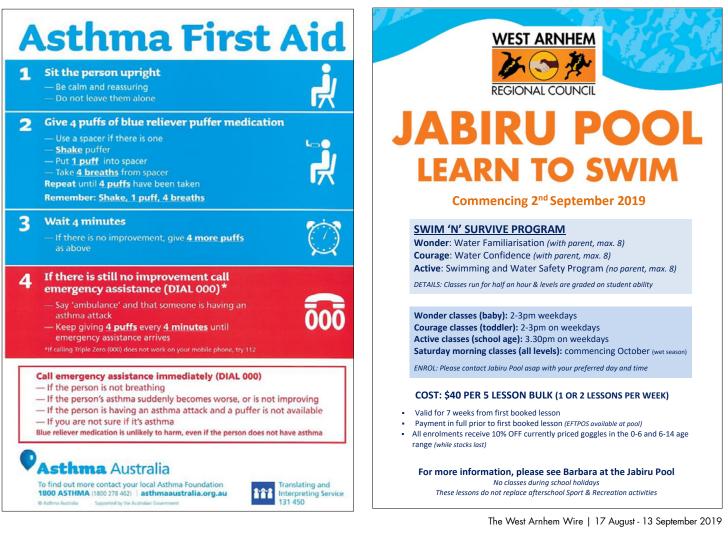

with Lesley Bryce General Manager Operations, Ranger Mine fence and see our activities.

In addition to this, we held a major shut down at Ranger for maintenance of our mine assets, you may have noticed an increase of our staff and contractors in and around the town.

I've thoroughly enjoyed seeing some familiar faces during our dry season community events and I am looking forward to Mahbilil Festival and putting on my cowboy boots for the free ERA sponsored Troy Cassar-Daley concert in September.

> Lesley Bryce General Manager-Operations, Ranger Mine

KURRUNG SPIRIT SHINES AT 2019 CARNIVAL

MAGICAL MARDBALK SERPENTS Defending champions, Mardbalk Serpents reigned supreme with the seventh consecutive win in the women's basketball. The island team showed their curtsied prowess winning every game in the round robins and then grabbing a powerful win in the grand final against Maningrida.

Maningrida who travelled for five hours on dirt roads to compete, provided some spectacular plays in the nailbiting game. In the end it was Warruwi's experience along with some thrilling offensive plays that saw the Serpents claim victory in the grand final match with a score Warruwi -25 to Maningrida 6.

All teams provided terrific plays on the day, with Jabiru, Minjilang, Maningrida and Warruwi competing throughout the hot day in round robin competitions at the Jabiru school courts preceded by a friendly tournament on the Friday night. A special appearance by Healthy Harold all the way from Katherine provided some exciting match entertainment as well.

It was a tense evening

WARRUWI WINNERS

Courts on the Friday as five teams battled it out in the men's basketball tournament which was the official opener event of the Kurrung Sports Carnival. A new arrival to the competition, Norforce made their debut with two early wins in the competition, narrowly missing out as the finals drew closer after losing to Warruwi and Minjilang in their last two games.

It was down to the two islands for the grand final and the two teams of Minjilang and Warruwi did not disappoint with a thrilling finale that had the crowds roaring.

Match referee Deola D'Brown from Darwin, officiated the competition as Warruwi dominated their way through the nerve-wracking 10 minute halves under lights.

For the second consecutive year, Warruwi were undefeated, with a fantastic victory against Minjilang. The final score: Minjilang 10, Warruwi 26.

Speaking to the crowd, Warruwi captain expressed gratitude to all involved in making the competition.

GUNBALANYA GLORY

The AFL competition was full of action and surprises this year. In the end it came down to a goal difference which saw Gunbalanya and Jabiru face off in the grand final match.

This year also saw the new entry of Beswick into the competition. While the team didn't make the finals rounds, they showed fantastic enthusiasm.

This was the first time in the last six years of Kurrung competition that Minjilang was not in a final, narrowly missing out with Maningrida claiming third place in the ladder.

This year Gunbalanya was hard to beat. Match after match, the Gunbalanya boys displayed an unbeatable spirit, team work and strategic plays as they surged upwards on the competition ladder.

Event organisers said, "It's hard to believe that two years ago, Gunbalanya was at the bottom of the ladder. Then last year, they rose to the top two on the ladder and ended the tournament as runners up to Minjilang. This year, they put in every effort down to the final whistle to claim victory against Jabiru and take home the championship trophy. This shows true determination. They played their heart out all day and in a twist of irony, the only match they lost during the

2019 CARNIVAL RESULTS

WOMEN'S BASKETBALL

Winner: Warruwi Runner Up: Maningrida Most Valuable Player: Punpun Wees Final Score: 25 - 6

MEN'S BASKETBALL

to the Jabiru Bombers!"

Jabiru showed their strong experience as finalists on home turf and displayed solid techniques and all-round sportsmanship throughout the day. In the end Gunbalanya were just too tough to beat with a spectacular 2.3 (15) to 1.2 (8) win.

Gunbalanya team and supporters were ecstatic with the victory with cheers, backflips and dancing all through the presentation. By all accounts, celebrations continued well into the night in Gunbalanya with families and friends.

The Maningrida and Minjilang women's basketball teams battle it out at the Jabiru courts in front of a great crowd at the 2019 Kurrung Sports Carnival.

W<u>I</u>RE **SPORT O YEAR ANNIVERSARY EVENT OF KURRUNG**

The 10 year anniversary event of the Kurrung Sports Carnival was everything it promised to be with cheers of joy, cries of triumph and an overwhelming sense of community spirit throughout the entire event on August 30 and 31.

Hosted by West Arnhem Regional Council, Kurrung is the largest regional sports event in the region, bringing communities together in a friendly competition.

14 teams competed across the men's AFL and men's and women's basketball over two huge days in Jabiru, with participants representing Jabiru, NORFORCE in Darwin, Gunbalanya, Minjilang, Warruwi, Maningrida and Beswick.

In the hotly-contested basketball competitions, it was the two Warruwi teams which dominated the courts to take out both the men's and women's tournaments, demonstrating there is plenty of talent hailing from the small island communities.

In an incredible reign, the women's Warruwi Mardbalk Serpents took out the grand final game against Maningrida to make it their seventh consecutive win, and when it came to the men's basketball, Warruwi Storm came out on top in a battle against their fellow island team, Minjilang.

In what was an emotional and inspiring tournament on the Saturday, the Gunbalanya team took out the men's AFL grand final match to the delight of players, their families and supporters who could not hide their excitement.

On their home turf, the Jabiru Bombers fought their way through each round to make it in the top two teams. Despite their best efforts, Gunbalanya were the best team on the day winning their first grand final in a long time at Kurrung. The

celebrations continued well into the night as the team made their way back home with the winning trophy to be greeted by their proud families and friends across the river.

The Bombers can hold their heads high. They displayed true sportsmanship in congratulating the winners and can look forward to a positive season ahead.

This year's 10 year anniversary event was proudly partnered with the No More Campaign and TEABBA Radio, and for the first time the event opened with a 3x3 social basketball game run by Deola D'Brown which was a great hit. Also running alongside Kurrung was the Mahbilil Festival and the Kakadu Deadly Runners hosted the inaugural Warrior Run.

Organisers wish to thank all the official trophy presenters including Member for Arnhem Selena Uibo MLA, Member for Arafura Lawrence Costa MLA, WARC Mayor Matthew Ryan, Deputy Mayor Anna Egerton and Elected

Members. A huge thanks must go to the sponsors; Northern Territory Department Government, of the Prime Minister and Cabinet, Kakadu Lodge, ERA, Crocodile Hotel, No More Violence Campaign, Jabiru Area School, Boots For All, Puma Jabiru, Gunbalanya Meats, TEABBA Radio, Intersport, Jabiru Foodland, Jabiru Sports and Social Club, TEAM Health, Gunbalanya Sports and Social Club, Bawinanga Aboriginal Corporation, MPA, ALPA, Arujumu, Adjumarllarl Store, AFL NT and GREATS Youth Service.

See you all next year at the 2020 Kurrung Sports Carnival! All photos feature on Facebook!
