SHARING STORIES IN LANGUAGE

From the Bininj Kunwok Regional Language Centre

Seraine Namundja and Jill Nganjmirra wrote and drew pictures (*right*) for their story about yawkyaw (Ngalkunburryaymi), sometimes talked about in English as "mermaid spirits", who live in the waterways of Arnhem Land and other areas.

This story is in a new book "NT Mob Sharing Stories in Language", published by the Indigenous Literacy Foundation. As well as Seraine and Jill's story in Kunwinjku, there are many others in different Aboriginal languages - Arrernte, Anindilyakwa, Kriol, Wubuy, Djambarrpuyngu, Murrinhpatha, Warumungu, and Warlpiri. Each story has a QR code to link to the audio of someone reading it in their language, as well as an English translation and pictures drawn by the authors or their family. You can buy this book from bookshops in Darwin, or from Big W at Casuarina or Palmerston for \$20 (\$23.90 including postage).

Here's part of the story in Kunwinjku....

Mak bu ngarrinan kukku kabodjekmedjekme,
wanjh kunukka ngarriburrbun bu

Whenever we see small rippling waves in the
water, then we know yawkyawk are close by.
They are watching us from deep in the water.
If we throw in a fishing line, sometimes
yawkyawk will play with it, tugging..

NAIDOC WEEK FROM 2-9 JULY

This year National NAIDOC Week will run from 2-9 July with the powerful theme 'For Our Elders'.

Across every generation, our Elders have played, and continue to play, an important role and hold a prominent place in our communities and families.

"Elders have played, and continue to play, an important role and hold a prominent place in our communities and families.."

They are cultural knowledge holders, trailblazers, nurturers, advocates, teachers, survivors, leaders, hard workers and our loved ones.

Our loved ones who pick us up in our low moments and celebrate us in our high ones. Who cook us a feed to comfort us and pull us into line, when we need them too.

They guide our generations and pave

the way for us to take the paths we can take today. Guidance, not only through generations of advocacy and activism, but in everyday life and how to place ourselves in the world.

We draw strength from their knowledge and experience, in everything from land management, cultural knowledge to justice and human rights. Across multiple sectors like health, education, the arts, politics and everything in between, they have set the many courses we follow.

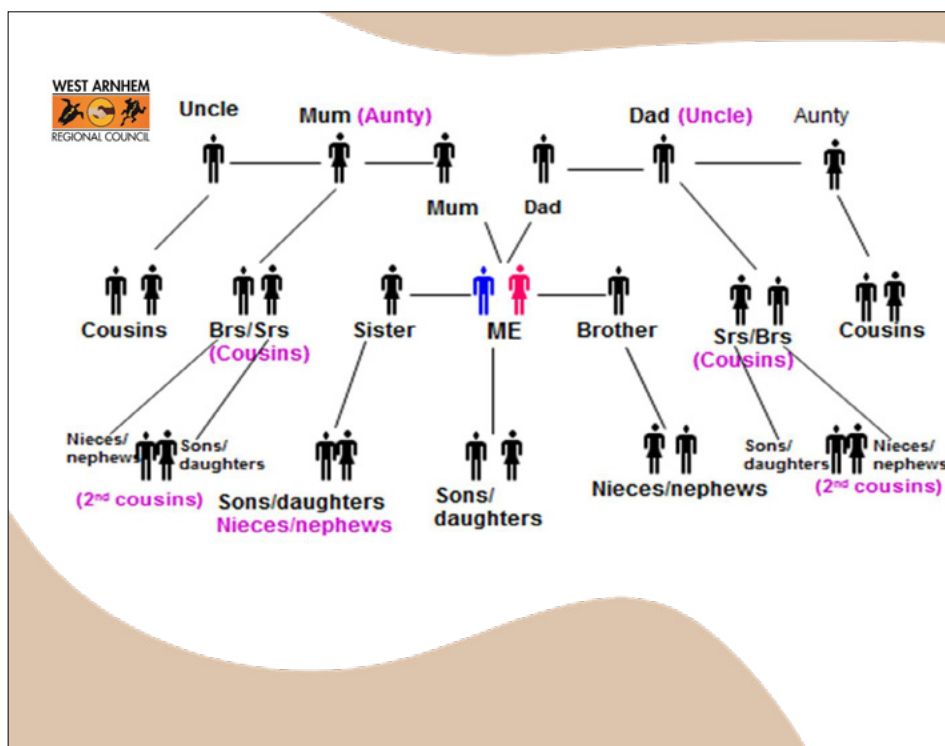

The struggles of our Elders help to move us forward today.

The equality we continue to fight for is found in their fight. Their tenacity and strength has carried the survival of our people.

It is their influence and through their learnings that we must ensure that when it comes to future decision making for our people, there is nothing about us - without us.

We pay our respects to the Elders we've lost and to those who continue fighting for us across all our Nations and we pay homage to them.

In 2023, how will you celebrate For Our Elders?

WIRE

West Arnhem Regional Council acknowledges the First Nations Custodians; and the many Language and Family groups who are Managers and Care-takers to each of their Traditional homelands and Waters across the West Arnhem Regions Wards. WARRUWI ATTENDS MENTAL HEALTH FIRST AID COURSE

Waruwi is the second community in West Arnhem to welcome the National Wellbeing Alliance and their *Mental Health First Aid and Suicide Prevention* course.

With a total of 17 attendees, 14 of them being WARC staff, this 2-day program was a great educational opportunity in the mental health area and culturally adapted for indigenous communities.

"A space to talk about the different mental health issues people go through and how we all can help families.."

Men and women had separate sessions, providing a more comfortable and

culturally appropriate environment.

Geraldine Narul, Wellbeing Services Coordinator in Waruwi, said the course a great eye-opener activity to realise how important it is to talk about mental health. "This course created a space to talk about the different mental health issues people go through and how we all can help families around when these situations. We are isolated and don't have access to many resources so having this training is quite useful" Geraldine says the feedback has been so positive that community members continue to express an interest for this training to be delivered again later this year.

This training opportunity will be coming to Jabiru 14th and 15th & 19th and 20th June; Minjilang on 20th and 21st June and 25th and 26th June in Gunbalanya.

CELEBRATING NATIONAL RECONCILIATION WEEK

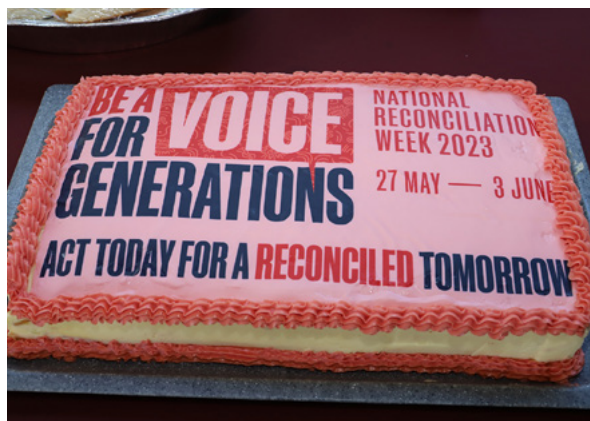

National Reconciliation Week in 2023 will officially end on Saturday, 3 June which is also a significant milestone in the reconciliation journey - the date of the High Court Mabo decision. The week also started on a significant date, 27 May, which commemorates the successful 1967 referendum. Reconciliation week is a time for us all to reflect on and learn about our histories and cultures as we move forward in our

reconciliation journey in Australia.

For West Arnhem Regional Council, our vision for reconciliation is to champion meaningful consultation and improve relationships with First Nations Peoples, based on the values: Integrity, Respect, Innovation and Inclusiveness; to deliver beneficial outcomes for the West Arnhem region. We are so fortunate to live in such culturally significant region, and it is vital we all continue our reconciliation path together for our people and our communities.

Pictured is the National reconciliation week opening ceremony held in Jabiru with Welcome to Country from Traditional Owner Shanice Mudjandi, the flag raising by our team and Deputy Mayor Liz Williams cutting the cake. Thank you to Sodexo for the wonderful cake.

SENIOR STUDENTS VENTURE TO ERA RANGER MINE

Gunbalanya School Nawaran Senior students went on an excursion across the river to investigate job opportunities at ERA Ranger Mine, ERISS and Kakadu Native plants.

They participated in a scavenger hunt on pit 3, got up and close with a dump truck and excavator, lunched in the crib room, planted seedlings and viewed bugs and snails through microscopes.

Thank you to Leona Katzer for being our host. Stories and photos contributed.

5 DIMENSIONS OF RECONCILIATION

Reconciliation Australia's vision of reconciliation is based and measured on five dimensions: historical acceptance; race relations; equality and equity; institutional integrity and unity.

These five dimensions do not exist in isolation, but are interrelated. Reconciliation cannot be seen as a single issue or agenda; the contemporary definition of reconciliation must weave all of these threads together. For example, greater historical acceptance of the wrongs done to Aboriginal and Torres Strait Islander peoples can lead to improved race relations, which in turn leads to greater equality and equity.

GET READY FOR TERRITORY DAY

On 1 July each year, Territorians get to officially celebrate everything they love about this place we call home and the people who make the Territory so special! Keep an eye on your local noticeboards for events in your community.

TIDY TOWNS PROGRAM RETURNS TO WEST ARNHAM

West Arnhem Regional Council's team in Maningrida participating in a past Tidy Towns program!

West Arnhem Regional Council recently endorsed our partnership with Keep Australia Beautiful to enable our return to participating in the Tidy Towns Program! Some of our long standing employees may remember this or have experienced the positive effect it has in participating communities. In the coming months, each community will have visits from Keep Australia Beautiful to engage local community stakeholders in creating plans to reduce litter in our

communities.

It is aimed at achieving a whole of community response to littering and enable the community to be engaged in reducing the waste footprint for the whole area. Aside from improving the overall look of our communities, we are working towards improving the public health for all residents and protecting the natural environment surrounding our communities which, we believe, are some of the most spectacular in the world!

HOT TOPICS DISCUSSED AT MAY COUNCIL MEETING

The Ordinary Meeting of Council took place on 10 May 2023, and a tip of the hat to our Councillors for some tough, tedious and vital recommendations!

"Community wellbeing, safety, financial sustainability and longevity underpins all that we do."

The Council met via video conference showcasing the diversity of WARC Council staff and Councillors alike, pulling off a Council meeting across 6 different sites simultaneously is no easy feat, thanks to all our wonderful Community staff on the ground.

Fortunately it was a smaller meeting alas, some big topics.

The most exciting was the endorsement of the Draft Regional Plan and budgets, which are now out for community consultation

and feedback for 21 days.

The month of May will always be a financial heavy agenda for all Australian Councils, The *Local Government Act 2019*. (Northern Territory) governs the timelines for these important document and it is important that all Councils put their thinking caps on to ensure all things community wellbeing, safety, financial sustainability and longevity underpins all that we do. And that's exactly what our Councillors did.

Speaking of, Council have endorsed a decision to move away from paper based agendas, by the upcoming purchase of laptops and creation of email addresses for all of our elected members.

Thinking of the environment and allowing for ease of delivery and increasing the sustainability footprint of WARC.

Lastly, in even more exciting news, in June, were taking Council to the community! Planning is well underway, all going well, bringing our Elected members and staff together in Gunbalanya.

AUSKICK MAKES A COMEBACK IN JABIRU

Last Thursday night, Jabiru had a wonderful community event at Magela Oval.

There was a wonderful turn-out with many participants and spectators.

Jacob from Jabiru Clontarf put together a great evening with the support of many stakeholders.

There was an Auskick session held for the young children in the community before a senior AFL match between Jabiru and Gunbalanya.

There was a barbecue, a fundraising store, a half-time sprint race and a great atmosphere all round.

It was wonderful to see so many people helping out and enjoying themselves.
