

Remuneration Package

Most jobs in West Arnhem Regional Council are advertised with a remuneration 'package'. In most cases the package includes annual salary, 12.5% employer superannuation contributions, and 17.5% leave loading. Locality allowance is provided as per the table below. There are additional benefits that may be provided for location such as subsidised housing and other benefits which are job specific.

The vacancy advertisement displays the lowest and highest salary package applicable for the job; there may be other increment steps within this range.
